THE SPHEREOTYPE.

THE latest and by far the most important improvement in Photography is the recently patented piture known as the SPHEREOTYPE, which is not on ture Roown as the SPIRREOUTPE, which is not only new and unlike any of its prodecessors, but greatly an perior to all. The Sphereotype is proof against TIME AIR and WATER, and for richness of tone, warmth o expression and distinctness has no equal—in fact the il lusies is such that the picture, ar image, seems suspended in air, entirely independent of the back ground. For this picture we have the exclusive right for Memphis. Specimens can be seen in our Gallery, where pictures are also taken in the various style-by our Artist, PROFE PREMINGIONE. PROF. REMINGTON,
